Description
Among farmland outside Marathounta village in the Paphos district, this agricultural field covers 22,242 m² of open land. Its zoning suits farming and planting. The area around it is made up of other agricultural fields and undeveloped parcels, a rural setting away from dense urban development.

The land has direct road access, with a long frontage onto the road along one of its borders. The Limassol–Paphos motorway is close by, and the village of Agia Marinouda is a short drive away. It is a sizeable piece of agricultural land with its own road frontage.
