For Sale : **€ 78,500**

Description
Two agricultural parcels lie in the countryside outside Agia Varvara village, in the Paphos district. The land around them is made up of farmland and undeveloped plots, so the setting is rural. The village centre and nearby Marathounta are a short drive away.

The zoning is agricultural, which makes the land suited to farming and planting. The land has no direct road access. The sale is a 1/2 share of both parcels. Together, the two parcels form a sizeable agricultural holding within a farming landscape.
