Description
Set in open countryside in the Armou area of Paphos, this field covers 17,057 m² near the village of Episkopi. The surrounding parcels are agricultural and undeveloped land, which keeps the setting rural, with little building around it. The villages of Episkopi and Marathounta are a short drive away. The land has no direct road access. It also lies within a Natura 2000 protection area. This is a sizeable field set among the farmland of Armou.
