

For Sale, Land, Field, Nicosia, Pyrgos Pano

In the countryside around Pano Pyrgos village, in
Nicosia Di...

For Sale : **€ 76,500**

Description
In the countryside around Pano Pyrgos village, in Nicosia District, this agricultural field covers 23,412 m². Its agricultural zoning suits farming and planting, and the ground slopes across the plot. The land has no direct road access.

The village centre is a short drive away, as is the neighbouring village of Kato Pyrgos. This is a large, almost trapezium-shaped field in agricultural land.
