Description
Set among open countryside in Pano Pyrgos, in the Nicosia district, this agricultural field covers 7,024 m². The parcels around it are agricultural or undeveloped land, giving a rural setting away from dense development. Its agricultural zoning suits cultivation or planting.

A road, already built on site, crosses one corner of the land. The village centre, Pigenia and Kato Pyrgos are each a short drive away. This is a sizeable, uncomplicated piece of farmland in the Cypriot countryside.
