On the rural edge of Analiontas village in the Nicosia district, this 6,717 m² agricultural field offers land for farming or planting. It has direct road access, with a long frontage on a dirt road along one side. A footpath used as a dirt track crosses the land. The plot has an irregular shape, and the parcels around it are undeveloped.

The village centre is a short drive away, as are the neighbouring villages of Kataliontas and Kampia, and the Nicosia–Limassol motorway is a drive away. A sizeable agricultural field with its own road frontage.
