For Sale : **€ 75,000**

Description
On the edge of Vouni village, three adjoining fields come together as one sizeable stretch of residential land of 2,500 m². Cafés and restaurants lie within walking distance, so a morning coffee or an evening meal out can begin with a short stroll. Around the land, open undeveloped plots sit beside a scattering of homes, keeping the setting rooted in its village surroundings.

All three fields lie in a residential zone, with room for a home of up to two floors. Taken together, they give a generous canvas for planning a house with plenty of land around it. Two of the fields have direct road access. The third has no road access of its own.

For the wider rhythm of daily life, the villages of Agios Therapon and Potamiou are a short drive away, with schools and green spaces also within easy driving reach.

An unpretentious, sizeable piece of land on which to shape a home, with Vouni's cafés and village life just a walk away.
