Description
Just outside the village of Lysos in the Paphos district, this field sits among homes and open parcels, with village life close at hand. Restaurants, cafés and local shops are within walking distance, so a morning coffee or an evening meal out is only a stroll away.

The land lies in a residential zone, with room for a home of up to two floors. It has direct road access along one side, and its full area of 4,683 m² gives a generous canvas for planning a house and the life around it.

When the weekend comes, Evretou Lake is a short drive away for time outdoors, and the village rhythm of Lysos stays close by for every day in between. The sale is for a 1/2 share of the field.

Village life within walking distance and room for a home: an inviting place to begin.
