Description
Set among farmland in the Palaiometocho area, two fields together offer 4,618 m² of agricultural land. The neighbouring parcels are farmland and undeveloped land, giving the area a plain countryside character. The land has direct road access along a registered road, the Nicosia–Deneia Motorway is within easy reach, and Agioi Trimithias and Kokkinotrimithia are a short drive away. Its agricultural zoning suits farming or planting. A sizeable area of farmland with its own road frontage.
