For Sale : **€ 74,500**

Description
In Pera Chorio, a short walk from the Agioi Apostoloi church and close to the village centre, a residential plot of 685 m² offers room for a home of your own. Village life unfolds all around, with neighbouring houses and open parcels of land giving the area a relaxed residential feel.

The land is flat and has direct road access along its frontage, so imagining a house here starts on simple, even ground. Its residential zoning allows a home of up to two floors, shaped to your own taste: the layout, the rooms and the way the house greets the street are all yours to decide.

Life beyond the village stays within easy reach. The motorway linking Nicosia and Limassol runs close by, and everyday shops are only a short drive away, so daily errands and trips to either city fit naturally into the week.

A level plot in a village setting, close to its church and centre, with the space to build the home you have in mind. Here, the next chapter is yours to draw.
