Description
On the edge of Maroni village, among open parcels of land and some residential developments, this 2,007 m² field lies within a residential zone. It offers room for a home of up to two floors in a Larnaca village with a strong local identity of its own.

Picture a home where the days follow the rhythm of village life, with the centre of Maroni and its cafés a short drive away. When the sea calls, the beaches are a short drive too, and Larnaca International Airport is about 25 km off, so trips abroad stay simple.

The land has no direct road access.

A sizeable piece of residential land on the edge of a Larnaca village, with space to shape a home around the pace of village life.
