Description
In Pera Chorio, a village close to the capital, this flat residential plot offers level ground for a home of your own. Its 650 m² sit in a residential setting of homes and open parcels of land. The irregular outline gives the layout a little individuality.

The land is zoned for residential use, with room for a home of up to two floors. It fronts a road, giving it direct road access. A church stands a short walk away, and the village centre is a short drive, with schools close by as well.

Picture everyday life here: the familiar rhythm of a Nicosia village, with neighbours around you and the comforts of the centre within easy reach. The motorways linking Nicosia with Limassol and Larnaca are close at hand, so journeys beyond the village are simple to begin.

Flat, well connected and set among village homes, this is a plot where your own home could take shape.
