For Sale : **€ 73,000**

Description
Close to the heart of Praitori, and only a short way from neighbouring Filousa, this residential field lies where village homes sit alongside open parcels of land. A shop, restaurants and cafés are within walking distance, so a morning coffee or an unhurried evening meal out is part of everyday life here.

The land is zoned for residential use and offers room for a home of up to two floors. It is a sizeable field of 7,693 m², with a good stretch of frontage onto a road that gives it direct road access, a welcome practical point when it comes to planning a home.

Beyond the village, Arminou Reservoir is a short drive away for time out in nature, while the surrounding villages keep the character of rural Paphos close at hand. The sale is of a 1/2 share of the field.

A village setting, everyday comforts within a stroll, and room to shape a home of your own.
