Description
In Palaiometocho, a short drive from the village centre, this agricultural field of 4,247 m² lies among other farmed and undeveloped parcels, with a few homes scattered across the surrounding area. The land has direct road access, with a long frontage onto a dirt road along one side.

Its agricultural zoning suits farming or planting, and the Nicosia–Deneia Motorway is within easy reach, as is the neighbouring village of Agioi Trimithias. It is a straightforward parcel of farmland with its own road frontage.
