Description
A short walk from the heart of Pigenia, this field puts village life within easy reach. Around it lies a mix of farmland, open parcels and a scattering of homes, which gives the neighbourhood a gentle rural character. The sea is only a short drive away. With 2,639 m² in a residential zone, the land offers room for a home of up to two floors. It fronts a road, so it has direct road access. Its generous size leaves freedom to place a house and plan its surroundings to your own ideas. Picture an evening stroll to the village centre for a coffee, then a walk back home past fields and open land. On a free day, the waters of Pomos Reservoir are a drive away. Here, village charm meets open countryside, with space to create a home rooted in the everyday rhythm of Pigenia.
