Description
Agricultural land in the countryside around Pissouri. The village centre is a short drive away, and the villages of Avdimou and Platanisteia are also nearby. Agricultural land and undeveloped parcels make up the surrounding area, a rural setting away from dense urban development.

The field is zoned for agriculture and suits farming or planting. It has no direct road access. The sale is a 1/3 share of the field. This is farmland among other agricultural parcels outside Pissouri.
