For Sale : **€ 71,000**

Description
Just outside the village of Pano Pyrgos, this field sits in a neighbourhood where homes stand alongside open, undeveloped plots, and the beaches are only a short drive away. Village life and days by the sea can sit side by side here.

The land covers 2,007 m² and lies in a residential zone, with room for a home of up to two floors. Picture a house shaped to your own plans, set among neighbours who have already made this corner of the village their home, with the village centre a short drive away for everyday errands.

The land has no direct road access.

For anyone who wants a home near both a village and the beaches, this is a sizeable residential field in Pano Pyrgos where a new house can take shape.
