Description
Armou, in the Paphos district, is home to this agricultural field of 6,021 m². It lies outside the village, surrounded by other farmland and undeveloped parcels. Its agricultural zoning suits farming or planting, and its size leaves room to work the land at a practical scale. The field has no direct road access. The villages of Marathounta and Konia are close by, in a countryside setting shaped by fields rather than dense development. This is a sizeable, uncomplicated piece of agricultural land in Armou.
