

For Sale, Land, Field, Nicosia, Pyrgos Kato, 1,482m²

A short way from the sea and close to the centre
of Kato Pyr...

For Sale : **€ 70,000**

Description
A short way from the sea and close to the centre of Kato Pyrgos, this field lies on residential land among homes and open parcels. The coast and the village are both within reach, giving everyday life here a gentle seaside rhythm. Supermarkets and shops are within walking distance, so the daily round of bread, groceries and errands can be done on foot.

The residential zoning gives room for a home of up to two floors. It is easy to imagine a house taking shape here, with neighbours nearby, the village centre close at hand and the sea not far beyond. The surrounding mix of homes and undeveloped land keeps the setting open and settled at the same time.

The sale is for a 1/2 share of the field.

Residential land in a seaside village, close to its centre and its shops, is a fine place to begin planning a home in Kato Pyrgos.
