For Sale : **€ 71,000**

Description
Just beyond the village of Kelokedara, a sizeable field of 3,921 m² waits for someone with a home in mind. It sits in a residential zone, with room for a house of up to two floors, close enough to village life to feel part of it.

The neighbourhood is a mix of homes and open parcels of land, a settled residential setting that still keeps a sense of breathing space. A long frontage onto a footpath runs along one side. It is easy to picture the first plans taking shape here: where the house might stand and how the day might begin, with the village centre, its cafés and restaurants only a short drive away.

Further afield, the Sanctuary of the Paphian Aphrodite is a drive away, a reminder of how deep the history of this corner of Paphos runs, and Paphos International Airport lies about 15 km off.

An honest piece of land in authentic village surroundings, with room for a home of your own.
