For Sale : **€ 66,000**

Description
A short drive from the beaches, in Pano Pyrgos in the Nicosia district, this field offers 2,007 m² of land zoned for residential use.

That residential zoning gives room for a home of your own. Picture shaping it around simple pleasures: a morning by the sea, then the drive back to your own ground in Pano Pyrgos as the day winds down.

The village of Kato Pyrgos is also a short drive away, so a change of scene is never far.

It is a sizeable piece of residential land with the coast within easy reach, ready for the home you have in mind.
