For Sale : **€ 62,000**

Description
On the outskirts of Choirokoitia village, two agricultural fields together make up 10,703 m² of land. They sit among other farmland and undeveloped parcels. The larger of the two has direct road access. The smaller field has no direct road access.

The land is zoned for agriculture, so it suits farming or planting. The village centre and neighbouring Tochni are a short drive away, and the area has easy access to the Nicosia–Limassol Motorway. This is a sizeable holding of agricultural land in the Larnaca countryside.
