For Sale : **€ 67,000**

Description
In the village of Pera Pedi, with the Troodos National Forest Park a short drive away, this field lies in a residential setting where homes stand among open parcels of land. Restaurants and cafés are within walking distance, so a morning coffee or an evening meal in the village is always close by.

The land is zoned for residential use, with room for a home of up to two floors. Its shape is irregular and its surface slopes. A long frontage along a registered road gives it direct road access.

Picture a home here, woven into the easy rhythm of village life, with the forest park within reach for days spent away from the pace of the city. It is an uncomplicated setting, shaped by the village around it and the green landscape of Troodos beyond.

The sale is for a 6/35 share of the field. A village setting with the forest park close at hand, and well worth a visit.
