For Sale : **€ 61,000**

Description
Farmland and open, undeveloped parcels surround these two adjoining fields in the countryside outside Pano Pyrgos, in the Nicosia district, with the village of Kato Pyrgos also nearby. The setting is plainly rural, with no dense development around it.

The land is zoned for agricultural use and together forms a sizeable holding for planting or cultivation. It lies within the UN buffer zone. The land has no direct road access. The sale comprises one field in full and a 2/3 share of the adjoining field. Two neighbouring fields of agricultural land, set among other farm and undeveloped parcels near Pano Pyrgos.
