Description
A short distance from Gourri village, this agricultural field covers 13,399 m² of open countryside in the Nicosia district. Its agricultural zoning makes it suited to farming and planting. The land around it is made up of other agricultural and undeveloped parcels, keeping the setting rural and away from dense development. The land has no direct road access. Gourri's village centre is a short drive away, as are the neighbouring villages of Fikardou and Lazanias. This is a sizeable piece of agricultural land surrounded by fields and open parcels.
