**Description**
Covering 16,723 m² in the countryside of Agios Theodoros Tillirias, this agricultural field lies among other agricultural and undeveloped parcels. The villages of Pigenia and Mansoura are each a short drive away.

Its agricultural zoning suits farming and planting, and the size of the land gives plenty of room to cultivate. The field has no direct road access. It is a large parcel of agricultural land in a rural setting, away from dense development.
