Description
Paralimni Lake lies within walking distance of this residential plot, and so do the restaurants and cafés where an evening out can begin on foot. The immediate neighbourhood is made up of holiday houses and blocks of flats. The wider area brings shops and offices, and the town centre, supermarkets and schools are all a short drive away.

The land itself is simple to read and easy to plan around. It offers 651 m² of flat, even ground in a roughly rectangular shape, with direct road access along its frontage. Electricity, water and telecommunication services are available. The residential zoning allows for a home of up to two floors, so there is room for a house shaped around your own plans.

Picture an early morning walk to the lake, then an afternoon on the plans for the rooms you want. Neighbouring Deryneia and Sotira are a short drive away, and the main roads are easy to reach, so the rest of the region stays close at hand.

Level ground, services in place and the lake within walking distance make this a welcoming starting point for a home in Paralimni.
