Description
Just outside the village of Agios Epifanios Oreinis, in the Nicosia district, this field covers 7,318 m² of land among other undeveloped parcels. The village centre is a short drive away, and so are the neighbouring villages of Kalo Chorio Oreinis and Gourri.

On one side, the land has a short frontage onto a registered footpath. It lies within a protection zone. The setting is shaped by the open land around it rather than by dense building. It is a sizeable parcel of countryside land in the Agios Epifanios Oreinis area.
