Description
Three adjoining fields in the countryside outside Fikardou village make up this agricultural holding of 19,010 m². The land lies among other farmland and undeveloped parcels, in an open, rural setting.

Its agricultural zoning suits farming or planting. Together the three parcels form one sizeable area to work or to hold. The land has no direct road access. The villages of Gourri and Lazanias are part of the surrounding area. This is a large, open stretch of farmland in the Fikardou countryside.
