Description
A gentle walk from the heart of Farmakas, this residential land offers room for a home in authentic village surroundings. It is made up of two adjoining fields, together covering 2,286 m², set among village homes and open plots of land.

The land fronts a road, which gives it direct road access. Its residential zoning allows a home of up to two floors. With both fields side by side, there is sizeable ground on which to plan a home and shape its setting around the way you want to live.

Picture everyday life here: an easy stroll to the village centre for a coffee or a chat, then back home as the day winds down. When you want more of the landscape, the nature spot of Kionia peak is a short drive away, as is the Transfiguration of the Saviour Church.

A sizeable residential setting in Farmakas, with village life right on your doorstep.
