For Sale : **€ 52,000**

Description
In the village of Peristerona, in the Nicosia district, a residential plot of 775 m² offers room for a home of your own. Its residential zoning makes the purpose clear: this is land for living, set within the life of a village community.

A new home here could follow your own choices of layout, materials and finish, shaped around the way you want your days to run. Picture a house planned from the first sketch to suit the household it will hold.

Everyday needs sit close at hand. Schools are within walking distance, so mornings could begin with a short stroll to the school gate, while supermarkets and shops are a short drive away.

A residential plot in Peristerona with schools in walking reach is a straightforward, promising place to begin a home.
