Description
In Temvria, a short drive from the village centre, this agricultural field covers 5,352 m². Its agricultural zoning makes it land for farming or planting. Around it lie other agricultural and undeveloped parcels, with a few homes scattered across the area. The villages of Kaliana and Korakou are also a short drive away.

The field is irregular in shape, with an uneven, sloping surface. The land has no direct road access.

A sizeable piece of farmland in the Temvria countryside, set among other fields.
