Description
Among undeveloped parcels outside Skarinou village, in the Larnaca district, lies a sizeable agricultural field of 24,081 m². Its agricultural zoning suits farming or planting, and the land around it is still undeveloped countryside, away from dense building. The land has no direct road access. Skarinou village centre is a short drive away, and the villages of Kofinou and Agios Theodoros are also close by. This is a large piece of agricultural land in the Skarinou countryside.
