For Sale : **€ 46,000**

Description
Just a short walk from the heart of Agios Theodoros, and close to the Pentaschoinos river, this field brings village life within easy reach. Everyday shopping is within walking distance, and the ancient Neolithic settlement of Choirokoitia lies a short drive away.

Set on residential land, the field offers room for a home of up to two floors. The neighbourhood around it is a mix of houses and plots not yet put to use, giving a sense of a village still taking shape. Access to the field is by a right-of-way across a neighbouring parcel.

Picture a home of your own here, with Kofinou and Skarinou both a short drive away for whatever the village itself does not offer. The sale is for a 50% share of the field.

It offers an uncomplicated start to a home in a Larnaca village, with the village centre a stroll away.
