Description
Out in the farmland around Letymvou, this field covers 11,037 m² of agricultural land in the Paphos district. Its zoning suits farming, planting or simply holding a sizeable piece of countryside. A long stretch of its boundary runs along a registered footpath, and the parcels around it are either farmed or undeveloped.

The Letymvou village centre and neighbouring Kallepeia are a short drive away, and the Limassol–Paphos motorway lies a drive away. It is a large, plain agricultural field set among other farmland.
