Set in the farmland just outside Kallepeia village in the Paphos district, this large agricultural field covers 17,392 m². The land around it is made up of farmed and undeveloped parcels, a rural setting away from dense development. Its agricultural zoning suits farming and planting, and it lies within an area planned for animal husbandry. Kallepeia village centre and the neighbouring village of Pitargou are both a short drive away.

The land has no direct road access. It is a sizeable agricultural field with room to farm or plant.
