Set among undeveloped parcels in the countryside of Drouseia, this agricultural field covers 8,027 m² in the Paphos district. Its agricultural zoning suits farming or planting, and the land around it keeps the setting rural and free of dense development.

Drouseia's village centre is a short drive away, as are the neighbouring villages of Ineia, Fasli and Androlikou. The land has no direct road access. It is a sizeable piece of agricultural land in the Drouseia countryside.
