For Sale : **€ 40,000**

Description
Xyliatos keeps village life within easy reach. The village centre is a short drive away, and so is the Xyliatos Reservoir, a natural spot to unwind on a slow weekend afternoon.

This field lies in a residential zone, surrounded by existing homes and undeveloped parcels. The zoning gives room for a home of up to two floors, letting you picture a family house taking shape in this village setting. The land has no direct road access.

For anyone drawn to Xyliatos, this is an uncomplicated way to hold a stake in residential land in a village with nature close by. The sale is a 1/4 share of the field.

Village life and the reservoir sit close at hand, with residential land in between.
