For Sale : **€ 39,000**

Description
Farmland in the countryside of Astromeritis, made up of two adjoining parcels that together give 2,785 m² of agricultural ground. The surroundings are rural, with farmland and undeveloped land on all sides. The village centre and neighbouring Potami are each a short drive away. The land has no direct road access. Its agricultural zoning suits planting and cultivation, and because the two parcels lie side by side, they can be worked as one piece of land. A simple, sizeable holding of farmland in the Astromeritis countryside.
