

For Sale, Land, Field, Paphos, Lasa, 1,338m²

Close to the heart of Lasa, a village in the Paphos district...

For Sale : **€ 37,000**

Description
Close to the heart of Lasa, a village in the Paphos district, this field lies among family homes and open parcels of land. The village centre is near at hand, so everyday village life is part of the setting from the start. It is an honest, uncomplicated setting where a home could sit comfortably among its neighbours.

The land is zoned for residential use and offers room for a home of up to two floors. It fronts a registered road along one boundary, so it has direct road access, with a good stretch of frontage to plan around. Picture a family home taking shape here, with neighbours close by.

Supermarkets, schools and cafés are a short drive away, as is the neighbouring village of Thrinia, so daily errands stay simple.

The sale is of a 1/2 share of the field. What stays in the mind is a residential plot with its own road frontage, close to the centre of Lasa.
