Description
Landlocked Agricultural Plot for Sale in Rodotopos Area, Larnaca | G&P Lazarou Estate Agents

An excellent opportunity to acquire an affordable piece of land in the Rodotopos area of Larnaca. This landlocked agricultural plot spans 2,676 m², offering long-term investment potential in a quiet, undeveloped area close to nature.
The property falls within Planning Zone Γ3, allowing for 10% building density, 10% coverage, up to 2 floors, and a maximum height of 8.3 meters. This makes it suitable for agricultural use, future development, or a private countryside retreat—subject to access arrangements.
Set in a peaceful and natural environment, the plot offers tranquility while still being within reach of Larnaca's city infrastructure. It is ideal for investors looking for future value growth or for those seeking to own land in a developing part of Cyprus.
