For Sale : **€ 36,000**

Description
On the edge of Deryneia, within walking distance of Paralimni Lake, this field lies in an area where industrial and residential developments sit alongside open, undeveloped parcels. It is a setting with a sense of space around it, while the working life of the district stays close at hand. Zoned for industrial use, the land lends itself to business. It has direct road access, with frontage along two of its sides, which makes it straightforward to reach and gives it an open, unhemmed feel. The town of Paralimni is a short drive away, and the main roads of the area are within easy reach, so everyday errands and the wider district are never far off. The lake nearby adds a welcome touch of nature to a practical, working location. The sale is a 1/12 share of the field. Close to the water, open to the road and set among businesses and homes, this is a piece of Deryneia worth seeing in person.
