For Sale : **€ 37,500**

Description
Life close to Polemi keeps the good things of the village near at hand. Restaurants and cafés lie within walking distance, the village centre and everyday shops are a short drive away, and the neighbouring villages of Stroumpi and Psathi are close by for a change of scene.

The field lies on residential land, in an area where several residential developments sit alongside undeveloped parcels. The zoning allows a home of up to two floors. You can picture a family house taking shape here, close to the village and its cafés, on ground with a residential setting already growing around it.

The land has no direct road access. The sale is of a 1/2 share of the field.

For anyone drawn to village life in the Paphos district, this is residential ground close to Polemi, with a neighbourhood of homes around it and the cafés of the village just a stroll away.
