Description
Set among agricultural and undeveloped parcels outside Peristerona, this field covers 4,100 m² and has direct road access along a long frontage on a rural road. Its agricultural zoning suits farming or planting, in an open countryside setting away from dense development.

The village centre is a short drive away, as are neighbouring Astromeritis and Potami. The Astromeritis–Evrychou motorway is within easy reach of the area. This is a sizeable field of agricultural land with its own frontage onto a rural road.
