Description
Two adjoining fields make up this sizeable stretch of agricultural land in Agios Amvrosios, in the Limassol countryside. Together they cover 8,028 m² of sloping ground with an irregular shape, in an area that is mainly given over to farming. The village centre is a short drive away, as are the neighbouring villages of Pachna and Agios Therapon.

The land is zoned for agricultural use and suits farming and planting. It has no direct road access. These are two fields of sloping farmland, held together in the countryside of Agios Amvrosios.
