For Sale : **€ 31,000**

Description
Close to the centre of Pano Pyrgos village, this field of 1,329 m² lies in a residential zone among undeveloped parcels of land and scattered homes. Village life is near at hand, yet open land still surrounds it, giving the setting an unhurried, rural character.

The residential zoning gives room for a home of up to two floors. You can picture mornings that begin with a stroll to the village and afternoons spent at the beaches, which are a short drive away, as is neighbouring Kato Pyrgos. Further afield, the Gialia Monastery and the Cyprus Mufflon Enclosure make for rewarding days out.

The land has no direct road access.

With the village close by, the beaches within a short drive and room for a home of your own, this is a corner of Pano Pyrgos worth getting to know.
