Description
Just outside Xyliatos village in the Nicosia district lies a sizeable agricultural field of 9,922 m². Its agricultural zoning suits farming and planting, and the land has direct road access along a dirt road. The surrounding area is made up mainly of undeveloped parcels, keeping the setting rural and open.

The village centre and neighbouring Agia Marina Xyliatou are a short drive away, and the Astromeritis - Evrychou Motorway is within driving distance. This is a large parcel of farmland in the Xyliatos countryside.
