Just outside Skoulli village in the Paphos district, this agricultural field of 5,352 m² lies among farmland and undeveloped parcels. The setting is shaped by open countryside rather than by building. The land is zoned for agricultural use and suits farming or planting.

Access is by a registered right of way. The village centre is a short drive away, as are the neighbouring villages of Choli and Trimithousa, and the main roads can be reached by car. This is a sizeable field to farm or hold in the Skoulli countryside.
