Description
Set in the farmland of Lysos in the Paphos district, this field covers 5,798 m² of agriculturally zoned ground for farming or planting. The village centre is a short drive away, the neighbouring villages of Melandra and Zacharia are close by, and the main roads are a drive further on.

The agricultural zoning gives the land a clear purpose. It suits crops or an orchard, or it can be kept as a practical addition to other rural land in the area. It is a sizeable piece of agricultural land in the Lysos area.
