**Description**
In the countryside of the Paphos district, between the villages of Kallepeia and Stroumpi, this agricultural field covers 7,693 m². It is surrounded by other farmed and undeveloped parcels, so it sits in an open rural setting. Its agricultural zoning points to farming and planting, or to holding the land for the long term. Stroumpi and Letymvou are both a short drive away. The land has no direct road access. It is a large, open piece of agricultural ground among the fields of the Kallepeia countryside.
